1. PROCEDURES

1 General Operations

- Maximum capacity per classroom is 30 people (including children and personnel) for each program.
- Operating hours are from 7:15am to 6pm.
- The Out of School program will not be operational before September 2020.
- École La Mission will not be used whatsoever.
- Parents and staff will use the entrance approved for this program only: the entrance to the CEPP module.
- The children as well as the educators will be assigned to a classroom and will not change groups.
- We will not use the school gym.

2 How the daycare program will operate

- The program will use the daycare's fenced park.
- The program will use the school's green area.
- The program will do its own cleaning from Monday through Thursday. (Take out the trash, wash filth off the floor, clean the bathrooms, etc.)
- The program will require janitor services once a week (Friday) to wash the floors and the bathroom from top to bottom.
