1. PROCEDURES

1 General Operations

Operating hours are 7:15am to 6pm. (Possibility of reduction according to needs)
15 children per program are allowed.

Parents and staff will use the entrance approved for their program only. ***Please refer to the map at the end of this document.***

We will not use the school gym.

The program will require access to janitor equipment if possible.

The program will require access to their equipment storage.

2 How the daycare program will operate

The program will operate at its maximum capacity.

The classroom used will be the program's regular classroom. ***Please refer to the map at the end of this document.***

The educators will use the girl's school washroom. The room 10 has a washroom, so will be used by the children; for the other room, children and staff will use the girls school washroom.

The program will use the school's green area.

Programs will do their own cleaning from Monday through Thursday. (Take out the trash, wash filth off the floors, clean the washroom, etc.)

The programs would ask for janitor service once a week (Friday) to wash the floors and bathroom from top to bottom.
